

## PTSB Pre-Approved Workshops Information

**Thank you for your interest in PTSB's Approved Workshops. These workshops have gone through PTSB's approval process and can be counted toward renewal credits required for all certificates/licenses/permits that PTSB offers. Below, you will find a few important pieces of information regarding our pre-approved workshops and PTSB credits.**

PTSB does not host/provide these workshops. All workshops are provided by outside agencies, organizations, companies, and individuals. **PTSB does not have any of the enrollment information, price information, etc.** We simply pre-approve the course based on the content and length. We have pre-approved numerous courses that are open enrollment (self-paced). You will need to go to the website listed or contact the facilitator listed for more information.

PTSB updates this list monthly.

The number of credits listed is the number of PTSB credits you will receive should you complete the course/workshop.

Not all facilitators/companies enter PTSB credit for you. Please make sure to get a certificate of completion if a facilitator/company does not indicate that they will enter your credit for you. Certificates of completion should contain your name, the course name, the completion date, and the number of contact hours the course is worth.

Certificates of completion will need to be emailed to [ptsbworkshoprequests@wyo.gov](mailto:ptsbworkshoprequests@wyo.gov) to be processed for credit. Please include your PTSB Number in the subject line (if possible). Once credit has been issued, you will receive an email confirming the number of credits applied to your file.

If you have any questions or concerns regarding this pre-approved list, please let me know.
